GENERAL ANNOUNCEMENT: POSITION OPENING

Educational Improvement Consultant – Mental Health

WHO WE ARE:

Oakland Schools is a regional service agency that offers support services to school personnel that are best delivered regionally and provide cost, size and quality advantages to those we serve. Oakland Schools is an autonomous, tax-supported public school district governed by Michigan General School Laws and is one of 56 intermediate school districts (ISDs) established in Michigan in 1962.

Our organizational focus is centered on these central objectives:

- Increase student achievement
- Serve diverse needs of schools
- Decrease costs/increase efficiencies

SALARY DETAILS:

\$94,018 to \$107,503 annually / Exempt position / 12-month work year

As this position is grant-funded, continuation is contingent upon grant funds.

WORK LOCATION:

Oakland Schools Main Campus, District and School Services Department

2111 Pontiac Lake Road, Waterford, MI 48328

IN THIS ROLE:

You will assist districts and schools with implementing high quality learning in the area of mental health and engage districts with deepening their knowledge of socio-emotional learning especially as it relates to Collaborative for Academic, Social Emotional Learning (CASEL). As this position is grant-funded, continuation is contingent upon grant funds.

WHAT WE NEED:

We are seeking a dynamic individual committed to providing coaching, leadership, and instructional direction to Statewide System of Support (SSOS) school districts regarding curriculum, instruction, assessment, tiered levels of support, school improvement, school leadership, teacher leadership, and systems thinking in the area of mental health. Your strategic and technical expertise in systemic mental health improvement, developing and implementing required improvement plans, and district-wide systems development will be key in our efforts to support rapid student growth and achievement. You will serve as a resource to SSOS parents, Oakland Schools' staff, local school administrators and staff, multi-disciplinary evaluation teams, curriculum councils, government and community agencies, universities, and professional organizations.

WHAT YOU NEED:

- Master's degree in mental health, public health education, social work, psychology, or other health related field required. Doctorate degree preferred.
- Valid Michigan license in the health related field for which you earned your degree.
- Four or more years of related experience including classroom teaching responsibilities.
- Deep understanding of educational systems, legal issues, policies, research and trends in mental health education.
- Ability to design, implement and evaluate a comprehensive school mental health program and create systemic change through implementation of a comprehensive school mental health program.
- Ability to identify achievement, attendance, behavior, opportunity or resource gaps.
- Ability to development and implement action plans aligned with program goals and student data.
- Ability to engage in leadership and advocacy in comprehensive school mental health.

- Deep understanding of the impact of culture on student success and opportunities including the use of positive interventions and supports inclusive of restorative practices.
- Experience coaching and facilitating adult learning in small and large group settings.
- Ability to properly utilize tools and equipment necessary in conducting professional development workshops.

WHAT WE PROVIDE:

Salary Range of \$94,018 to \$107,503 annually.

As this position is grant-funded, continuation is contingent upon grant funds.

Oakland Schools offers company paid coverage for life insurance, short and long-term disability, well-being benefits and leave days. In addition, Oakland Schools offers comprehensive medical coverage or a cash in lieu benefit, dental, vision, additional life insurance, health savings account, flexible spending accounts, pet insurance, legal plan, college savings plans, tax-sheltered annuity (TSA) plans and the Office of Retirement Services retirement plans.
